Soolyakov Personal contact in NYC 25 FEB 59

Has not been [redacted] for more than a month.
He is still unemployed.

Enclosed picture was sent from overseas to his friend who not only admired the tablet & cups but was affected by the propaganda on the back. The paper impressed him as being authentic Ukrainian manufacture.
He borrowed it in order to show it to me and to point out the methods of propaganda being used.
Wants 3 enlargements to cover cost of borrowing it.

We must get him employment!
He is willing to go on any type of mission for us at any time, providing the objective is worth the risk in his opinion.
